

ROD-CLUE PUZZLE 45

- CLUE 1:** The design uses exactly three rods.
- CLUE 2:** The sum of the first two rods equals the third rod.
- CLUE 3:** The rods increase in length.
- CLUE 4:** The second rod is odd.

ROD-CLUE PUZZLE 46

- CLUE 1:** The design has exactly three rod couples.
- CLUE 2:** The design is horizontally and vertically symmetric.
- CLUE 3:** The sum of the two middle rods does not equal another rod in the design.

ROD-CLUE PUZZLE 47

- CLUE 1:** The design has horizontal symmetry.
- CLUE 2:** The design has exactly 2 diagonals and 2 rod couples.
- CLUE 3:** The top row uses fewer rods than the bottom row.
