

Materials

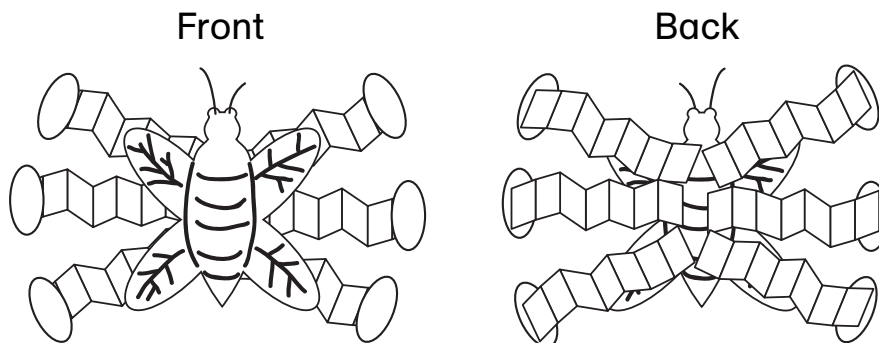

- *Let's Be Safe and Healthy* BLM 2 printed on 9" x 12" yellow construction paper
- *Let's Be Safe and Healthy* BLM 3 printed on colored paper.
- 2" x 12" strips of construction paper, various colors (6 per child)
- crayons, scissors, glue
- pipe cleaner (optional)

Directions

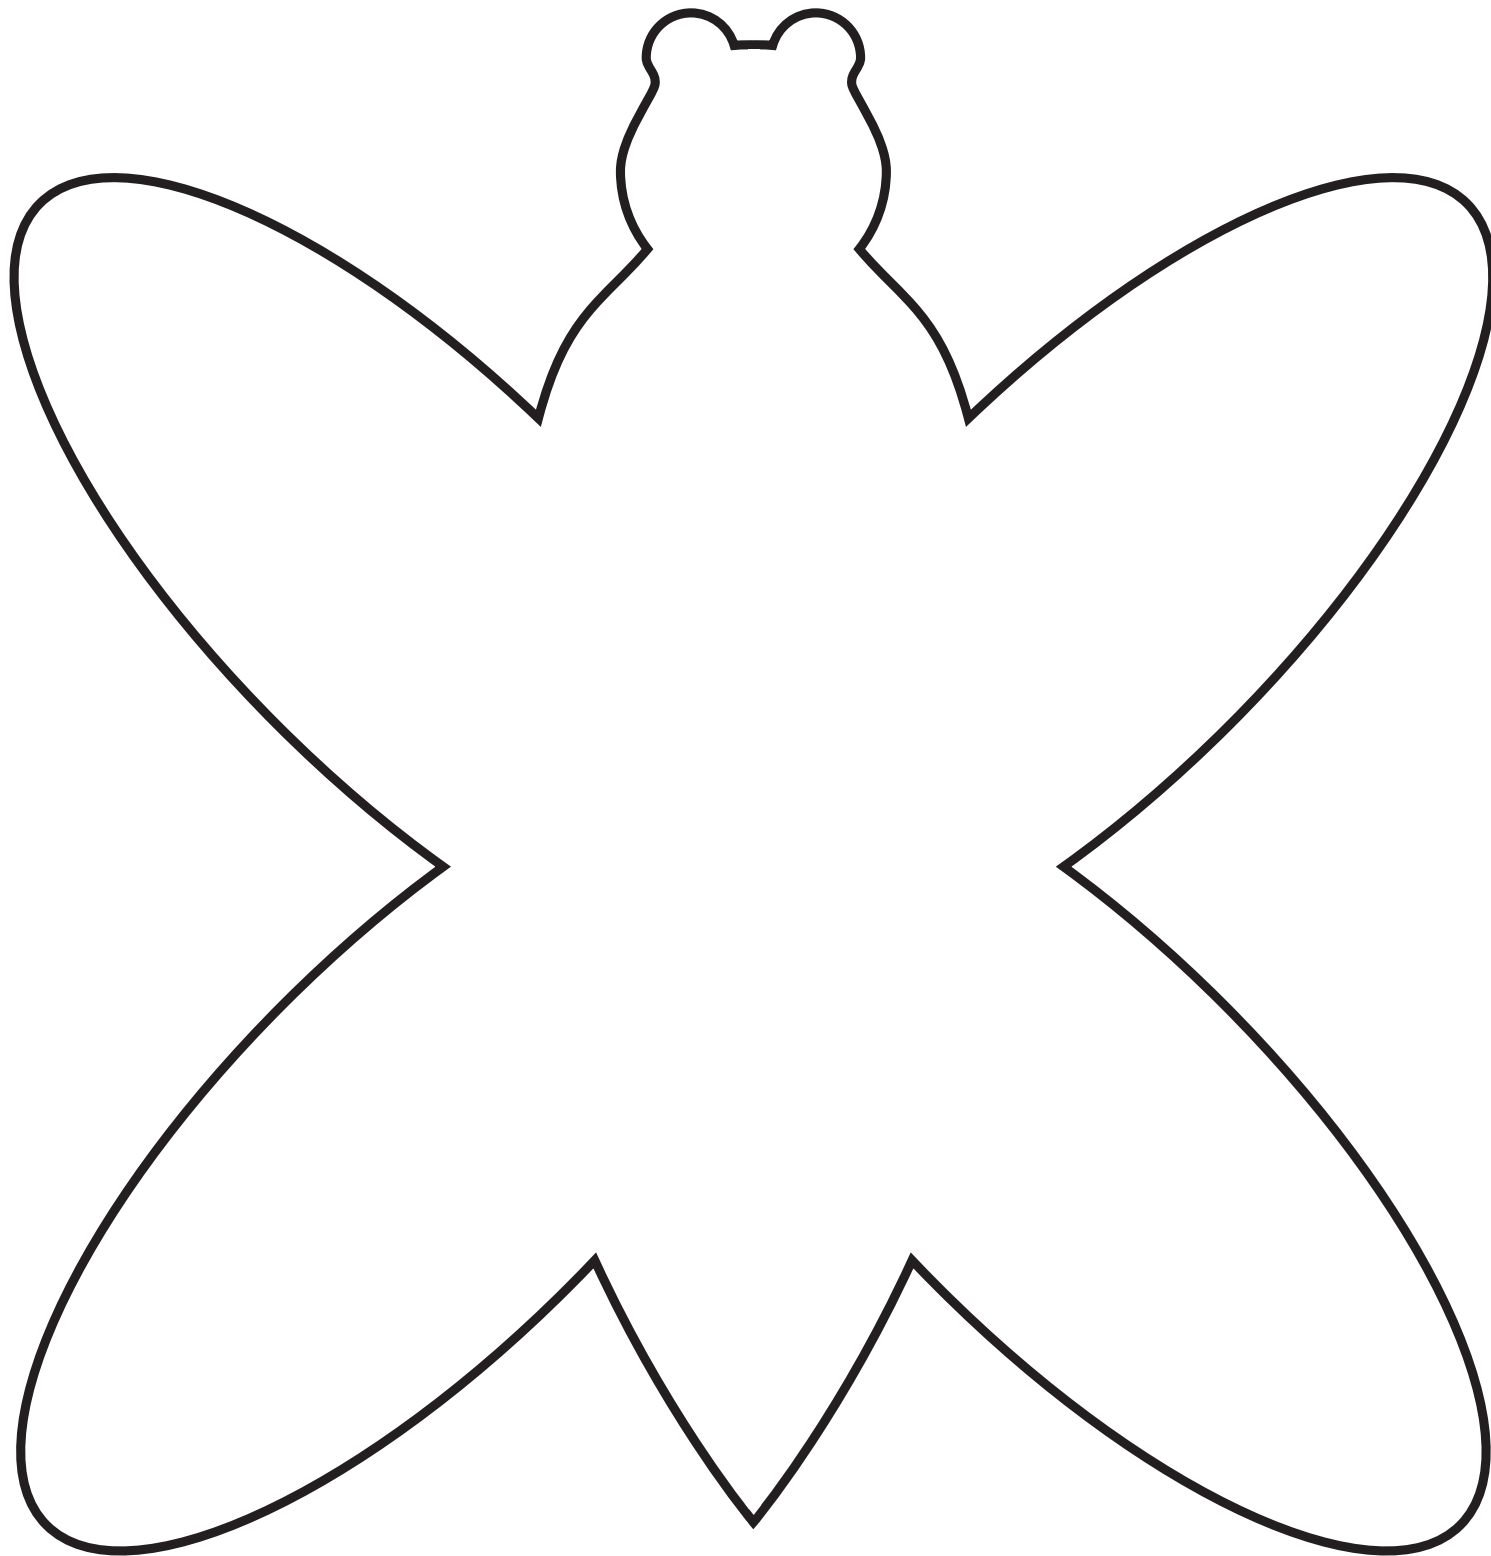

1. Copy BLM 2 onto the 9" x 12" construction paper.
2. Color the bee and cut it out.
3. For the legs, accordion-fold each strip of construction paper. Glue them to the back of the bee.
4. Cut the 6 ovals from BLM 3, which was printed on colored paper. Glue them to the bottom of each leg for feet.
5. Cut pipe cleaner in half and add to bee as antennae.

Language Activity

Children read aloud the words on the 6 feet and review ways they can "bee" safe and healthy.

Child's Name: _____

Child's Name: _____

Put toys away.

Wipe up spills.

Use smoke detectors
with good batteries.

Stay low if
there is smoke.

Cover your mouth
when you cough.

Wash your hands.
