

Materials

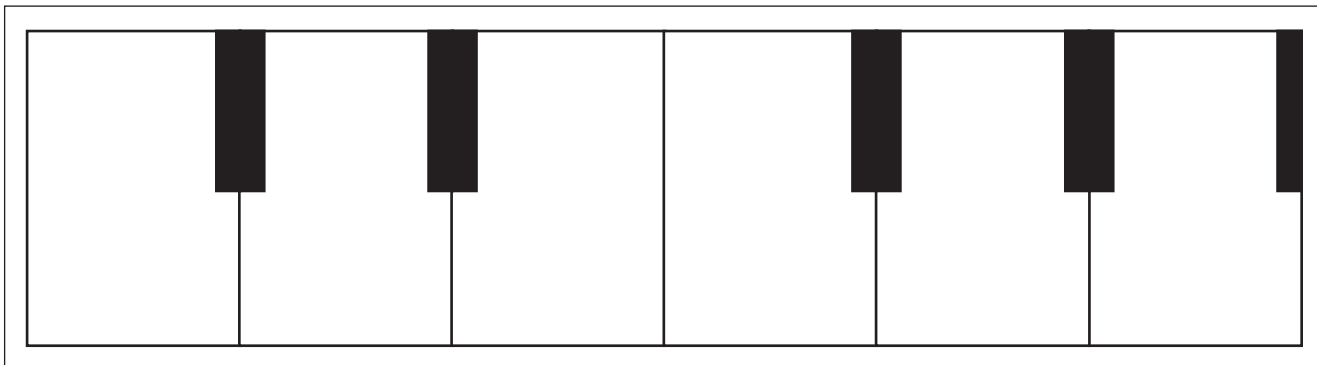

- *Make a Music Shaker* BLM 2 and BLM 3
- 8" x 25" construction paper, various colors
- scissors, glue, crayons

Directions

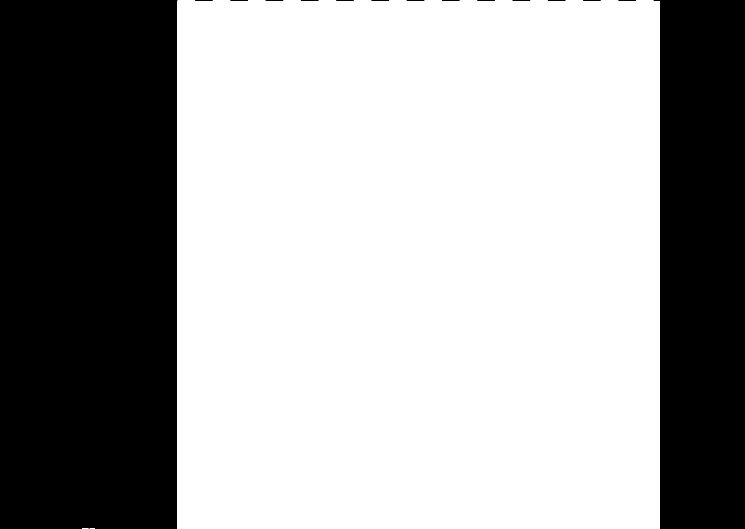

1. Cut out the 6 rectangles on BLM 2 and BLM 3.
2. Read the rectangles and put them in order.
3. Glue the rectangles in order onto the construction paper.
4. Illustrate each step.

Language Activity

Children recall steps for making a music shaker. When put in correct order, the boxes will resemble the keys on a piano.

Child's Name: _____

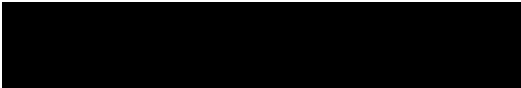

First make two circles using the cup and the material. Cut them out.

Finally shake your music shaker.

Next put in a handful of rice.

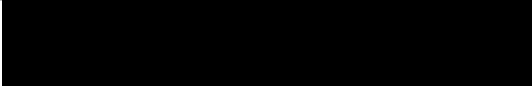

Child's Name: _____

Then put one circle over the end of the paper tube. Put a rubber band around it.

Then put the other circle over the end of the paper tube. Don't forget the rubber band.

Next color the paper tube using the markers.
