

Materials

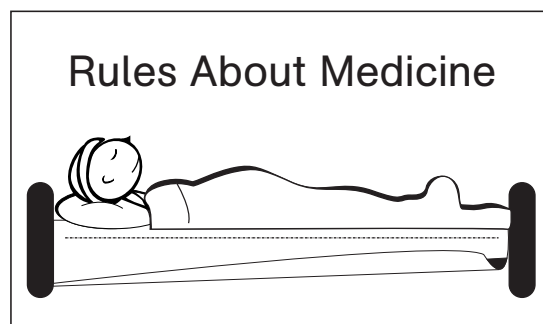

- 12" x 3" strips of construction paper, various colors
- 12" x 18" construction paper, various colors
- glue, crayons, stapler

Directions

1. To make the bed, fold back 1" of the top edge of a strip of construction paper. Glue this flap to the large construction paper.

2. Use crayons to draw the ends of the bed and a person sleeping in it.

Language Activity

Children will make a poster that reviews the rules about taking medicine.
