

## Materials

- *Too Small!* BLM 2
- 8 1/2" x 11" paper
- stapler, crayons, glue

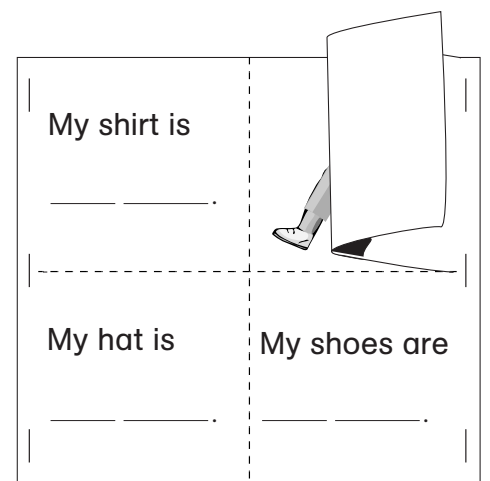

## Directions

1. Copy BLM 2. Cut the copies along the outside edge only.
2. Place the trimmed BLM 2 on top of a plain, white 8 1/2" x 11" piece of paper, matching the top edges. Staple the sheets together in 3 places along each side. Trim the excess paper from the lower edge.
3. Gently pull the two pieces of paper apart to allow scissors in to cut the top page only on the dotted lines.
4. Complete each sentence on the front by adding the words *too small*.
5. Fold back each flap so that each quarter opens up. Draw a picture under the flap to illustrate each sentence.

## Language Activity

Children print the words *too small* on each pattern sentence and read the sentence. Then they illustrate four corresponding sentences.
