

Materials

- *The Mighty Lever* BLM 2 and BLM 3
- scissors, brass fastener, crayons

Directions

1. Cut out BLM 2 and BLM 3.
2. Color BLM 2 and draw a child on a seesaw in the space indicated.
3. Use the fastener to attach the two circles.
4. Complete each section of the top circle.

Language Activity

Students write descriptions and illustrate what they have learned about levers by filling in the four sections of the wheel book.

Draw a child on
a seesaw inside
the shape.
