

Materials

- *Plants and Soil—A Great Partnership* BLM 2 and BLM 3
- white tagboard or construction paper
- scissors, glue, brass fastener, crayons

Directions

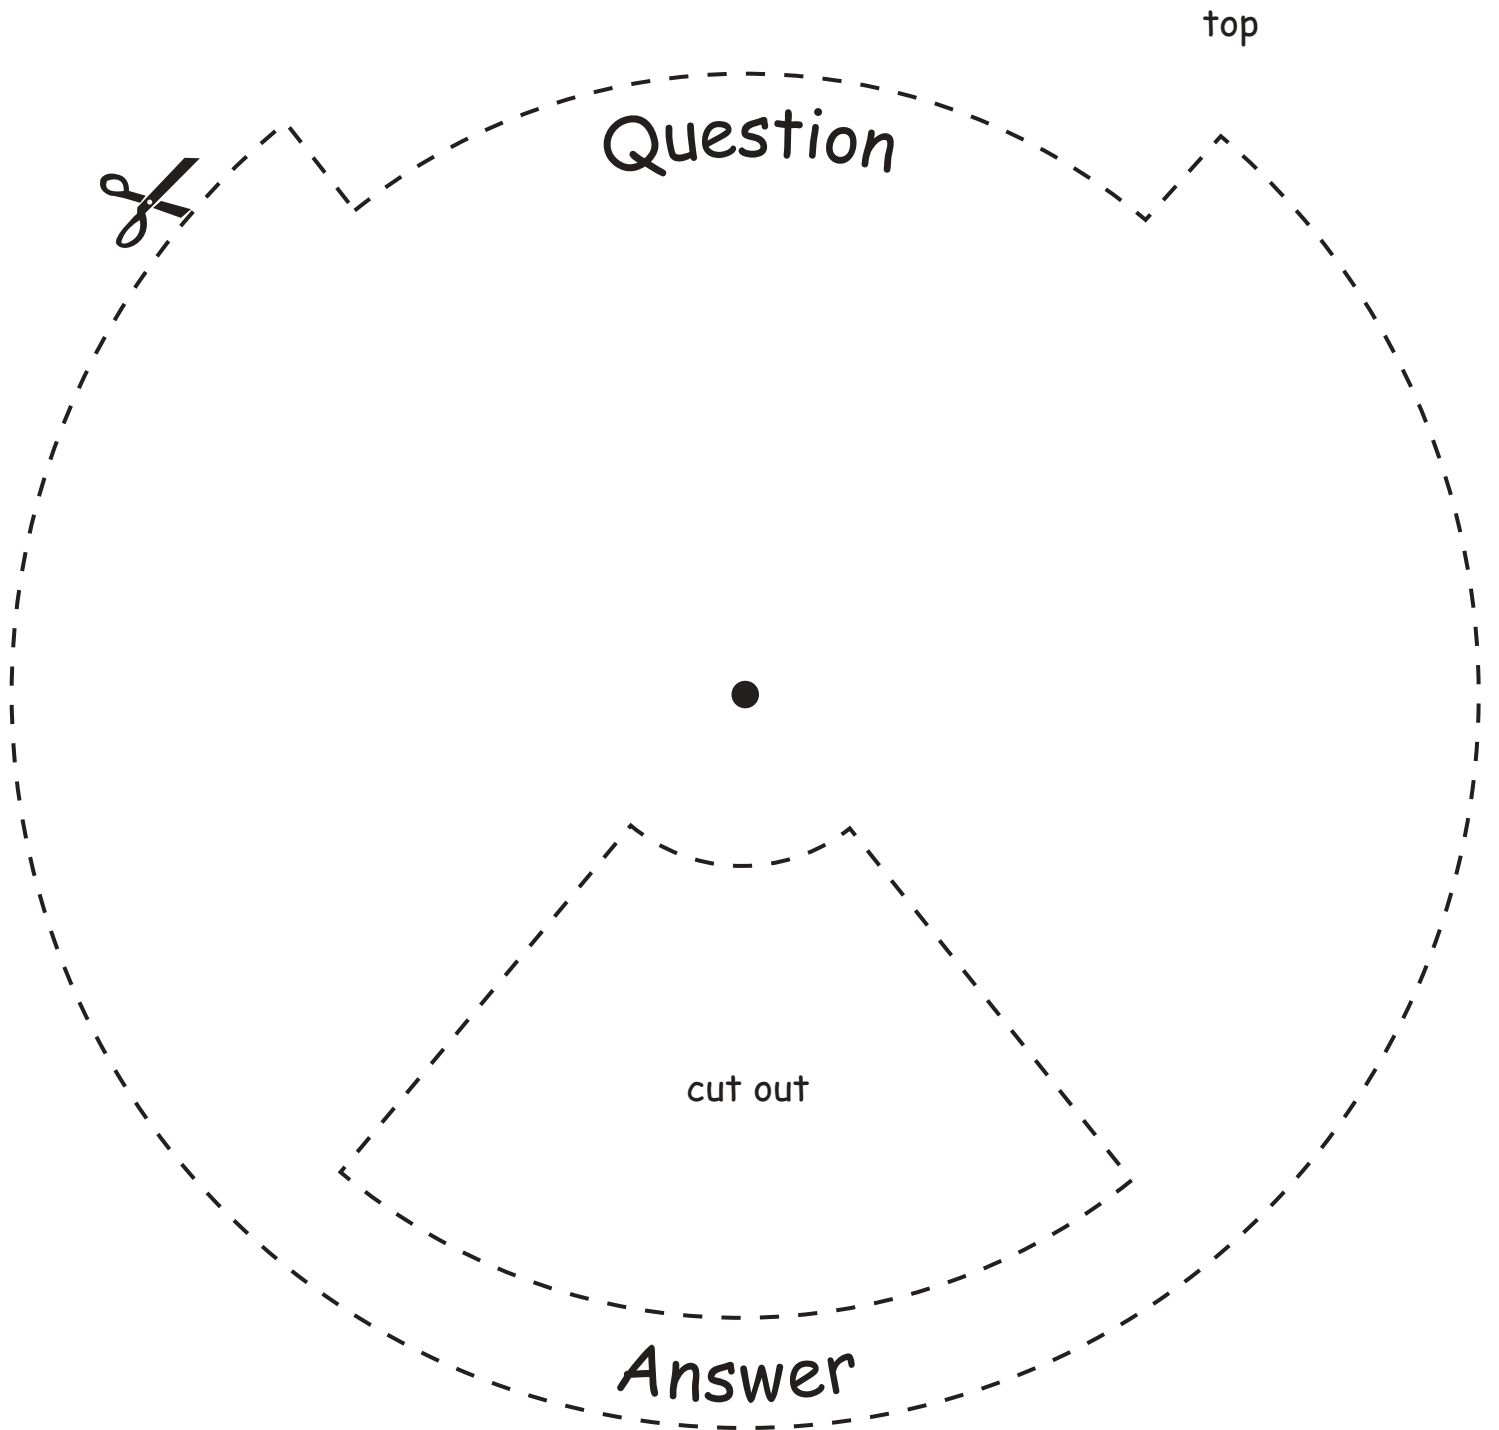

1. Glue BLM 2 and BLM 3 onto tagboard.
2. Cut out the two circles and the answer space as indicated.
3. Use a brass fastener to join the circles, placing the circle from BLM 2 on top.
4. Write the title on the front and illustrate the top circle.

Language Activity

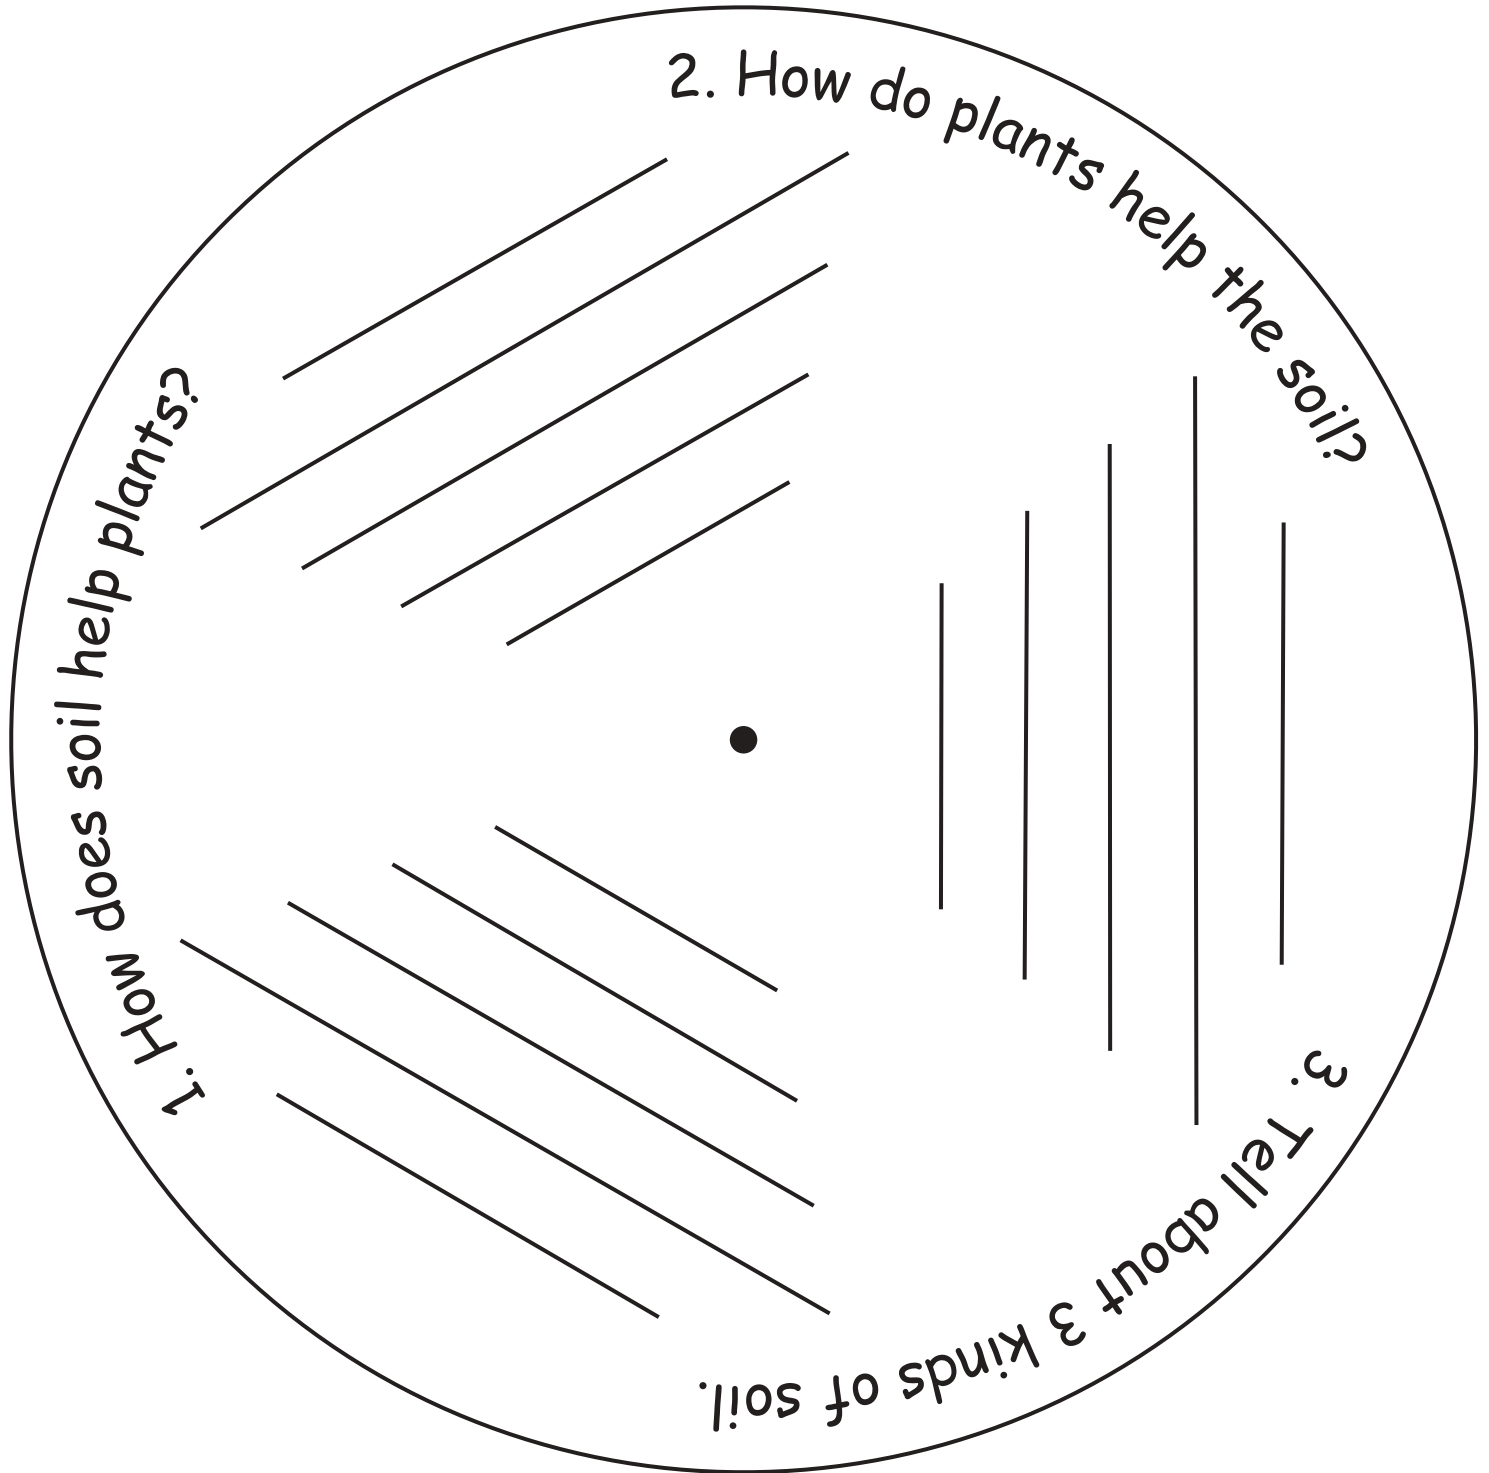

Students write their answers to three questions about plants and soil in the blank spaces.

Student's Name: _____

Student's Name: _____

1. How does soil help plants?

2. How do plants help the soil?

3. Tell about 3 kinds of soil.
