

## **Materials**

- *I Can Make a Flower* BLM 2 and BLM 3
- scissors, brass fastener
- crayons

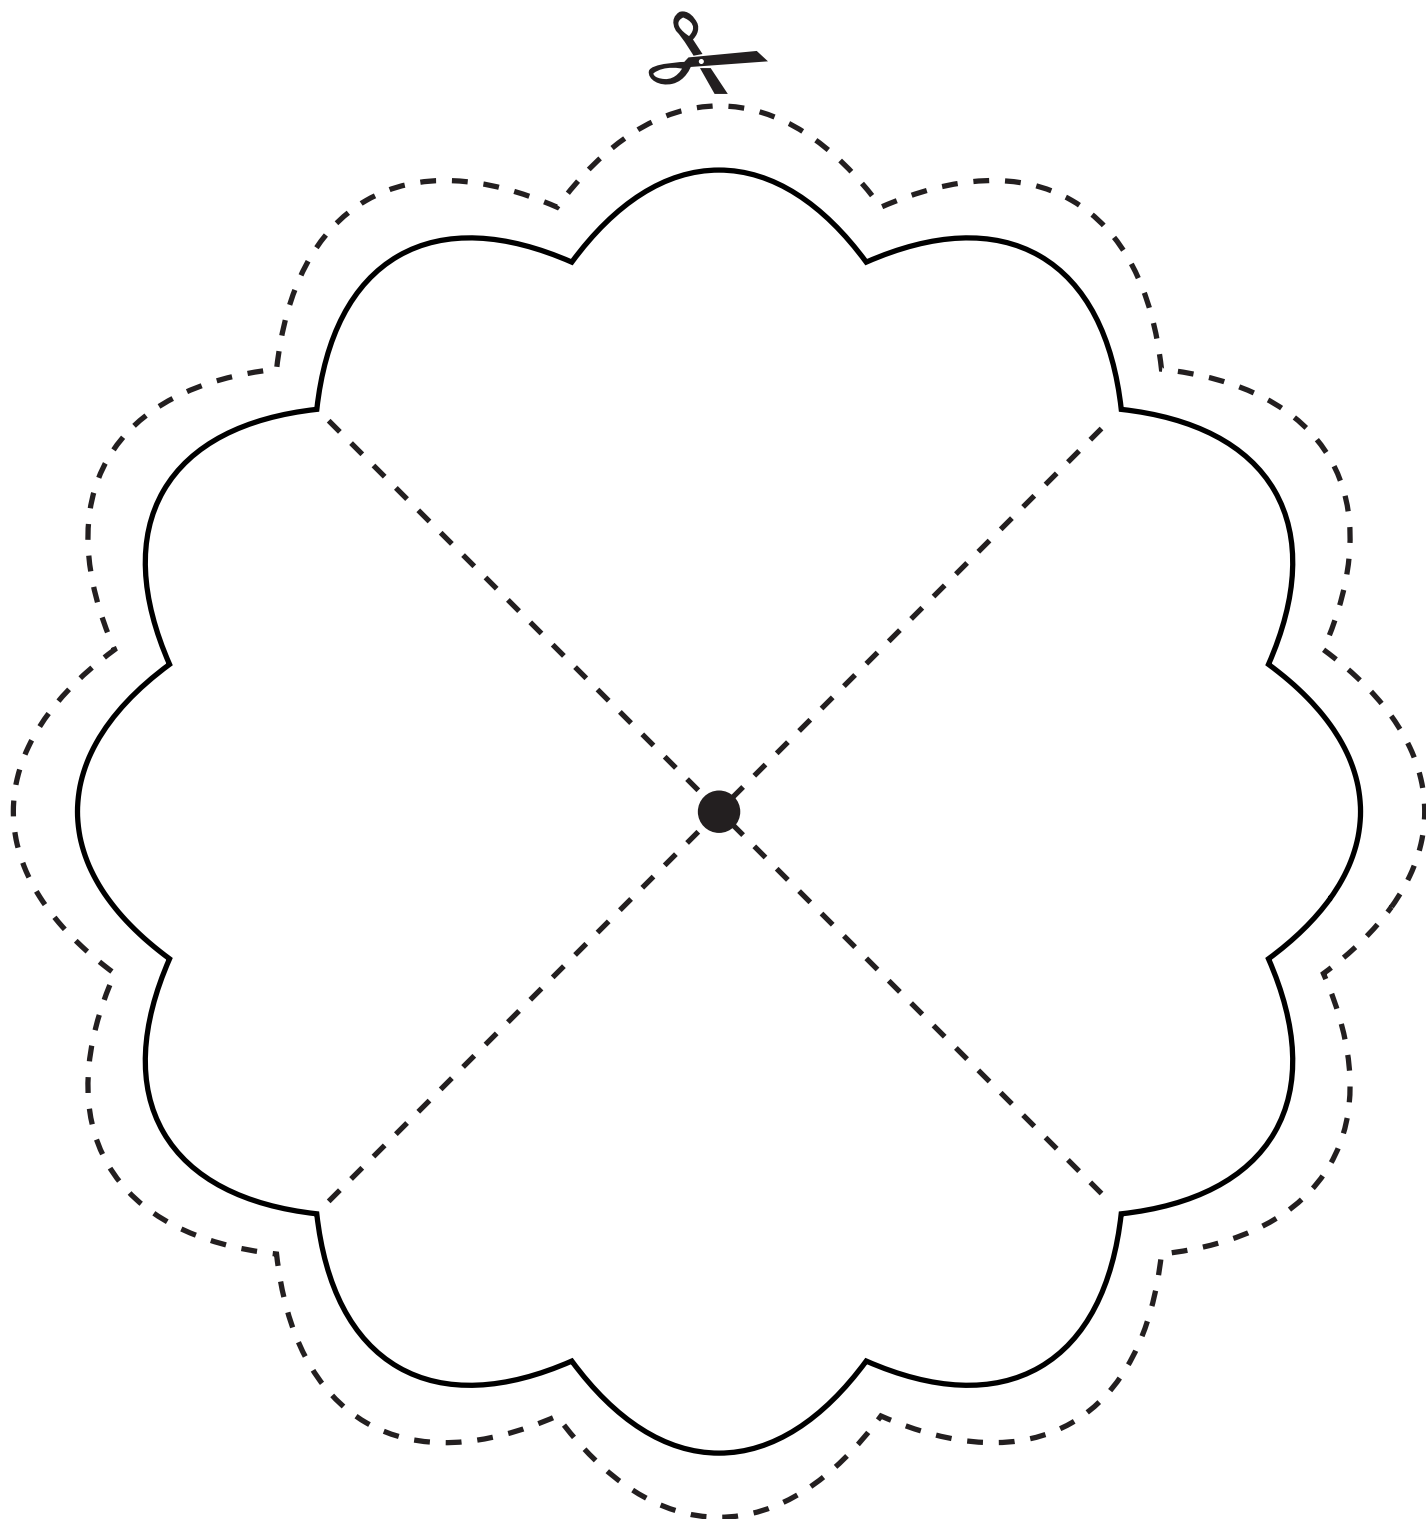

## **Directions**

1. Cut out BLM 2 and BLM 3.
2. Cut between the “petals” on BLM 2 by cutting along the dotted lines but not through the center.
3. Label each flower part on BLM 3. Color the flowers.
4. Make the spinner by placing BLM 2 on top of BLM 3 and attaching them in the middle with a fastener.
5. Spin BLM 2 to show parts of a flower.

## **Language Activity**

Children label a flower and its parts. [*stem, leaves, petals, flower*] They spin the petals, look under one of them, and read the name of the flower part.
